Re: Sonechko Ukrainian Bilingual Daycare at Bishop Filevich Elementary School

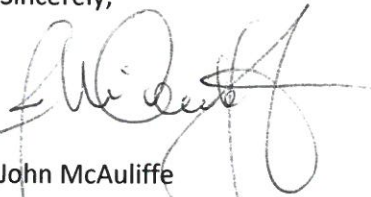

Dear Karen:

This letter is to confirm that Greater Saskatoon Catholic Schools supports the application by Sonechko Ukrainian Bilingual Daycare Inc. to establish a childcare centre at Bishop Filevich Elementary School.

At this time the school division does not have space at Bishop Filevich Elementary School that could be utilized for this purpose. Should the ministry have capital funds to provide for space, our school division would welcome the opportunity to coordinate the construction of new space and partner with Sonechko Ukrainian Bilingual Daycare Inc. in establishing a child care centre.

Please contact me at your convenience should you have questions or require clarification.

Sincerely,

John McAuliffe
Superintendent of Education- Facilities
Greater Saskatoon Catholic Schools
